

REMARKS

Entry of this Amendment is respectfully requested for the following reasons.

While reviewing the allowed claims in this application following the recently issued Notice of Allowance, the undersigned noted duplicative wording in independent Claim 23, a typographical error in Claim 28 and inadvertently not-deleted reference numerals in Claims 21 and 27.

With respect to Claim 23, the claim recites "providing a carrier unit comprising at least one separating member and at least one package carrying member;" and also recites "rotating a carrier unit, comprising at least one separating member and at least one package carrying member, between ..." Quite clearly, these two recitations are duplicative and unnecessary. Thus, by way of this Amendment, the "providing a carrier unit ..." clause is deleted.

In Claims 21 and 27, the reference numeral in parenthesis is deleted. In Claim 28, the duplicative "is" is deleted.

The amendments presented in this Amendment were not earlier presented as the required corrections just came to the undersigned's attention during review of the allowed claims following issuance of the recent Notice of Allowance. It is respectfully submitted that consideration of this Amendment will not be unduly burdensome to the Examiner.

Entry of this Amendment is respectfully requested.

Should any questions arise concerning this application, the undersigned respectfully requests that he be contacted at the number indicated below.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
